Meeting Minutes – May 17, 2022

Info/Action **Senate Enrolled Act No. 9 Policy** *Wegner & Hartoin*

On July 1, 2022, Senate Enrolled Act No. 9 Policy goes into effect that impacts the supervision and electronic monitoring standards of those with vulnerable victims and violent offenders. In response, we have updated our policy and standard operating procedures to comply with the standards set forth in SEA 9. The primary changes outlined in the new policy pertain to compliance with the established timelines to respond to electronic monitoring violations and victim notifications and welfare checks, in addition to enhanced supervision and records management policy. It is noted that SEA 9 effects both Community Corrections and Pretrial Services Agencies and that the proposed policy is for both agencies.

Discussion regarding proposed updated policy and vote to approve to take place.
