PERFORMANCE METRICS:

At the direction of our local JRAC, the agency is now tracking the following performance metrics.

Violation Rate: the percentage of clients who received a violation; pending violations are NOT included; this is a measure of closed cases.

Safety Rate: the percentage of clients who do not commit a new offense while under supervision; this is a measure of closed cases.

Completion Rate: the percentage of clients who remain under supervision until the end of their sentence.

Drug Screen Positivity Rate: the percentage of drug screens administered that return a positive result

NOTABLE UPDATES:

- CPCC continues to partner with Court Services on the JPAR SIM Grant to seek funding for therapeutic services and award notices are expected this month. We will also further collaborate on future grants and supervision improvements from BJA.
- CPCC will partner further with Court Services to expand therapeutic interventions and will host a Skill Building Learning Team later this month.
- To further save costs, we transitioned to the NIC eLearning Training Platform for all staff.
